Conspiracy Theories - In the April 2001 issue of THE FREE AMERICAN

The Destruction of America!

Is it happening by chance...or...is our nation blindly following the plan of a small but powerful group of wealthy International Bankers who are determined to rule over us as slaves in the coming . . .

ONE WORLD GOVERNMENT, THE 'NEW WORLD ORDER'?

Note from the Editor of the Free American

We did not write this article, but after reading it carefully a number of times, we feel that the author, while remaining anonymous, has covered the historical involvement of the Jews in foreign affairs with a great degree of accuracy. While the statements may arouse anger, especially among our Jewish readers, the facts are the facts.

As we try to define and isolate potential threats to our society, it is sometimes necessary to examine racial, cultural, religious and historical information. Just as, in one of our previous issues, we looked at the role of the Jesuits in history and modern times, so to must we look into the Jewish influence on our society.

This is NOT hate literature.

The author is obviously a Christian and therefore biased towards that religion. A great many Americans feel that this country was established as a Christian country, the Free American staff included. While I may not always agree with other Christians on all matters, history shows that Christians were once as persecuted in foreign countries as much as the Jews ever were.

As a matter of fact, at the end of this article, the author stresses that we adopt a Christian response to the problems created by the liberals among us. He suggests praying for the misguided Jews among us.

I don't think any Jews want to see Muslims take over Israel. I know few Americans of any religious or ethnic background who wants to move to Iran, Iraq or the Sudan. I doubt that even liberals would suggest that we change our form of government to one like the Taliban has established in Afghanistan. There would be too many petty crooks walking around with one hand. It is therefore reasonable to value, revere and defend our hard won liberties based on Christian morality, and its doctrine of religious freedom.

Neither the author nor the Free American feel that violence is an acceptable response to the thinly disguised attacks on Christians and Christianity. But we do think knowledge of the attitudes and beliefs of other cultures and races is important to maintain a truly free society.

Therefore, when one race or religion or country tries to suppress that knowledge, such as they have in the Ernst Zundel trials in Canada, over similar exposes on the Jews, we must rightfully question the motives for the suppression of those documents and stories.

As we said in the Publisher's column, the media is hyping HATE LITERATURE without any documentation as to what it contains. At the same time, government is trying to pass Hate Crime Bills that aggravate sentencing of other crimes. This is a blatant attack by segments of our population to gain acceptance for heretofore immoral and even illegal lifestyles by suppressing negative comments and discussion.

I repeat, especially for our Jewish readers, this is not an attack on you, your family or your race or religion. This great Constitution of ours enables you to worship as you please. The same goes for Muslims, Hindus and Christians. We are not talking here about individual Americans who are Jewish. We are talking about globe-trotting Internationalists trying to force us into a 'global economy' who happen to be Jewish.

For the record, despite all of the evidence, quotes, facts and speculation about the role Jews play/have played in our history, they are by no means the only factor or player in the plans for creating the New World Order!

Because it is such a long article, we are running it in different type as a side bar throughout the length of the magazine.

As always, the Free American is committed to learning the truth about our society and our history.

ARE THE JEWS BEHIND THE DESTRUCTION OF AMERICA?

Introduction

After years of study, we have become convinced that there is an internationalist plot to create a one-world government and destroy American sovereignty. The Internationalists behind this plot are working in secrecy. Why? Because they know that if too many Americans wake up and learn the truth about what has been happening to our nation, and if a large number of Americans found out who the enemy really is, and if they found out how the enemy is doing his work, then these patriotic Americans would rise up and destroy those who are behind this diabolical plot.

For centuries a small but powerful clique has been working towards the day when they will be able to force the United States and the nations of the world to submit to a one-world government. The United Nations is a mere pawn in the arsenal of these conspirators. They are planning for the day when they can compel the American people and the nations of the world to accept a one world monetary system, which they will control, as a precursor to a one world government run by the slave masters in charge of us in the NEW WORLD ORDER.

From the beginning they have known that in order to enslave us they would have to de-Christianize America. They have been very successful at eliminating Christianity and the Bible as the moral compass of our nation. They have succeeded by using the federal courts, which they ideologically dominate to remove Christianity and Bible study from our schools and all public institutions. It has been their plan to promote a breakdown of our families and our morality and they have been very successful in this

regard. How have they done it? They exercise near complete control over Hollywood, Television and nearly all print and publishing media. They continuously produce obscene films and lascivious television shows, intentionally flooding our nation and our minds with pornographic images for the express purpose of destroying the moral fiber of our people. They have used the ACLU to remove every last vestige of God and Christianity from the public arena.

The Federal Reserve

In 1913 International Bankers created our national banking system, better known as the Federal Reserve System. Using banks that they have privately owned for centuries they created the Federal Reserve System as a vehicle by which to steal our nations entire supply of gold and they have left us holding paper money that will ultimately become worthless. They have used the IRS to intimidate us with financial ruin if we dare to resist their tyrannical system of taxation.

U.S. Congressman Charles Lindbergh Senior, said in 1913 regarding the Federal Reserve Act: *'This act establishes the most gigantic trust (monopoly) on earth... When the President (Wilson) signs the act, the invisible government by the money power, proven to exist by the Money Trust Investigation, will be legalized... The new law will create inflation whenever the trusts want inflation... From now on depression will be scientifically created. The worst legislative crime of the ages is perpetrated by this banking and currency bill.'*

Ignoring warnings from such patriotic men in 1913 President Woodrow Wilson approved the Federal Reserve Act concentrating control of America's money in the hands of the small group of men who dominate this private corporation. A decade later the former President, Woodrow Wilson, opined: *'I am a most unhappy man. I have unwittingly ruined my country. A great industrial Nation is controlled by its system of credit. Our system of credit is concentrated (centralized). The growth of the Nation, therefore, and all our activities are in the hands of a few men. We have come to be one of the worst ruled, one of the most completely controlled and dominated Governments in the world - no longer a Government of free opinion, no longer a Government by conviction and vote of the majority, but a Government by the opinion and duress of small groups of dominant men.'*

Years earlier Woodrow Wilson had said the following: *'There's a power so organized, so subtle, so watchful, so pervasive, so interlocked, that you'd better not speak above your breath when you mention it, in condemnation of it.'*

Baron M. A. Rothschild said in the 18th century: *'Give me control over a nations currency, and I care not who makes the laws.'*

One hundred years later, President James A. Garfield (who was later assassinated) echoed Baron M.A. Rothschild when he said: *'Whoever controls the volume of money in any country is absolute master of all commerce and industry.'*

Those in control of the New World Order have been orchestrating this plan for centuries and they have shrewdly understood that control of the monetary systems of all nations is the key to implementing iron-fisted control over the nations of the world.

Nobel Prize winning economist, Paul Samuelson wrote in *'Economics'*, Fourth Edition: *'The Federal Reserve is an omnipotent, benevolent counterfeiter.'* We agree with Samuelson that the Fed is an omnipotent counterfeiter, however it is most certainly not 'benevolent.'

Education

An integral part of the plan for world domination is the dumbing down of the average American. Those who are behind this push for one world government have used the public schools to indoctrinate our children in anti-Christian ideas and anti-American ideology. The public schools have been their primary weapon in the war to destroy our children's future, indoctrinating them in liberalism and by intentionally giving them a substandard education. The ability of all Americans to read, to think and to reason clearly is at an all-time low. One reason for this is because the public schools refuse to use phonics to teach children how to read. Why? Because colleges of education financed by the Rockefeller foundation do not teach the teachers of tomorrow the phonics method of reading instruction. Instead they use the 'Look - Say' method, which has proved a dismal failure (just as they planned?).

Presently the public schools are more interested in teaching our children about condoms than mathematics. Why? Because those who are in control of the educational establishment know that they must demoralize and 'dumb down' America before they can disarm us, suspend the United States Constitution and put us under their absolute control.

Who's behind the move towards a One-World Government?

Who are the people behind this powerful push for a One-World Government? Generally speaking, they are liberals. They are socialists, communists, union leaders, atheists, humanists, feminists, homosexuals, hedonists, bureaucrats and environmental extremists who worship the creation more than the Creator.

However, the people at the very top, the movers and shakers, the absolute leaders, the wealthiest and the most influential people who live on the pinnacles of fabulous wealth and exercise real power as agents of the NEW WORLD ORDER in the innermost circles of international politics are bankers, specifically Jewish International Bankers.

Everything written in this article is 100% factual. If you will take the time to do the research you can verify it all in your local library. One of the most famous Americans to write extensively about the power of the Jewish Internationalists was the renowned auto-maker Henry Ford. He spent millions of dollars paying researchers to investigate the activities and objectives of these International Jews. He wrote a series of newspaper articles in the *'Dearborn Independent'* in June of 1920 that are timeless and very much worthwhile reading today. Mr. Ford's book *'The International Jew'* may still be found in some libraries. It is in the Free American Library - \$40.00 for the set. 877-423-3250

In 1920 Henry Ford, in an article written for the *'Dearborn Independent Newspaper'*, wrote the following: *'How does the Jew so habitually and so restlessly gravitate to the highest places? What puts him there? Why is he put there? What does he do there? What does the fact of his being there mean to the world? That is the Jewish Question in its origin... Fifty years ago, international banking, which was mostly in control of Jews as the money brokers of the world, was on top of business. It exercised the super-control of governments and finance everywhere... the significance of this is that the type does not grow anywhere else than on a Jewish stem. There is no other racial or national type which puts forth this kind of person. It is not merely that there are a few Jews among international financial controllers; it is*

that these world controllers are exclusively Jews... since world-control is an ambition which has only been achieved by Jews, and not by any of the methods usually adopted by would-be world conquerors, it becomes inevitable that the question should center in that remarkable race.' A few years later Mr. Ford said: 'It is well enough that the people of the nation do not understand our banking and monetary system, for if they did, I believe there would be a revolution before tomorrow morning.' In his book *'The International Jew'* Henry Ford Sr. wrote the following: *'When the powerful Jew is at last traced and his hand revealed, then comes the ready cry of persecution and it echoes through the world press. The real cause of the persecution (which is the oppression of the people by the financial practices of the Jews) is never given publicity.'* End of Henry Ford Quotes.

Due to the unhappy convergence of certain circumstances in history regarding the Catholic Church and unbiblical interpretations regarding the lending of money at interest, Jews have dominated the banking industry for more than one thousand years. Remember when you studied the 'Magna Carta' (The Great Charter) in school?

The Magna Carta was signed at Runnymede in 1215 by King John, at the demand of his barons. This Great Charter was a landmark for the preservation of the rights of Englishmen.

The Magna Carta is said to contain the origins of the Declaration of Independence and the Bill of Rights. Written in Latin, its English translation reveals to Americans the struggle that is not new to our people. In 1215, the struggle against government's tyranny and oppression was no different than today.

The main grievance redressed by The Magna Carta was the administration's policy of extortionate taxation and financial plunder of the citizens. It also addressed the English Freeman's rights to trial by jury, Habeas Corpus, no arbitrary search and seizure, and equality before the law.

Articles ten and eleven addressed usury and gave protection against foreclosure by ruthless usurers:

'10. If anyone who has borrowed from the JEWS any amount great or small, dies before the debt is repaid, it shall not carry interest as long as the heir is under age, or whomsoever he holds; and if that debt fall into our hands, we will take nothing except the principal sum specified in the bond.

11. And if a man dies owing a debt to the JEWS, his wife may have her dower and pay nothing of that debt; and if he leaves children under age, their needs shall be met in a manner in keeping with the holding of the deceased; and the debt shall be paid out of the residue, saving the service due to the lords. Debts owing to others than Jews shall be dealt with likewise.'

Nearly 800 years ago our ancestors warned us about Jewish usury via the Magna Carta. In these two articles excerpted the Magna Carta, we see that there is nothing new under the sun. Banking and usury is synonymous with Jewry.

Today, Jewish bankers control the United States Federal Reserve and hence the economy of our nation. According to the renowned Christian economist and author, R.E. McMaster, our Federal Reserve System is owned and run by eight Jewish families. Only three of the eight families in the following list are American; Rothschild's of London, Lazard Brothers of Paris, Israel-Moses Seif Bank of Italy, Kuhn-Loeb of Germany, Warburg of Hamburg, Lehman Brothers of New York, Goldman-Sachs of New York and the Rockefellers of New York. (Some scholars theorize that J.F.K. was

assassinated by agents of the NEW WORLD ORDER because he had defied these International Bankers by issuing an order shortly before his death to print non-Federal Reserve U.S. Treasury Notes. If it is true that JFK indeed ordered the treasury to do this, it would have destroyed the Federal Reserve System. You must remember that JFK's father was widely reputed to be an outspoken anti-Semite.)

Here are some facts, that you may have been unaware of, about Jews:

The Second Amendment - Disarming the people

Jews have always been in the forefront, leading the fight in previous sessions of the United States Congress, to abolish the Second Amendment of the United States Constitution one step at a time by a process known as gradualism. Liberal Jews are determined to disarm the American people. They want to take away all of the guns, even those of law abiding Americans. Prominent Jewish politicians like Congressman Charles Schumer of New York, Senator Carl Levin of Michigan, Senator Diane Feinstein of California, Senator Barbara Boxer of California and former Senator Howard Metzenbaum of Ohio, are just a few of the numerous liberal Jews who have and who are presently leading the fight in the United States Congress to disarm the American people.

The head of the ACLU in Michigan, Howard Simon, is a Jew. Did you know that the current national director of the ACLU is a Jewish woman by the name of Nadine Strossen? The previous national director of the ACLU, Ira Glasser, is a Jew.

Ownership of the media

Jews outright own or through interlocking directorates exercise complete control over all of the major media outlets, such as US News and World Report, Time magazine, The New York Times, The Washington Post, ABC, NBC, and CBS.

Here is what the former Vice President of the United States Spiro Agnew said on this subject over 20 years ago:

'The people who own and manage national impact media are Jewish and, with other influential Jews, helped create a disastrous U.S. Mideast policy. All you have to do is check the real policy makers and owners and you find a much higher concentration of Jewish people than you're going to find in the population. By national impact media I am referring to the major news wire services, pollsters, Time and Newsweek Magazines, the New York Times, Washington Post, and the International Herald Tribune. For example, CBS' Mr. William Paley's Jewish. Mr. Julian Goodman, who runs NBC, and there's a Leonard Goldenson at ABC. Mrs. Katherine Graham owns the Washington Post and Mr. Sulzberger the New York Times.'

Control of left-wing organizations and the feminist movement

Most of the extreme left wing political action groups in America today are run by Jews and/or were founded by Jews. The following list of left wing political action groups were all founded by and or are currently headed by Jews;

'Americans United for Separation of Church and State' (Barry Lynn, founder).

'Act Up' (Larry Kramer, founder), a homosexual activist organization.

ACLU, 'American Civil Liberties Union', an extreme left wing collection of lawyers.

NAACP, 'National Association for the Advancement of Colored People' (Joel Spingarn, founder), a left wing civil rights organization,

PAW, 'People for the American Way' (Ed Asner, co-founder),

NOW, 'National Organization of Women'. The National Organization of Women was primarily founded by a Jewish woman by the name of Betty Friedan. Today the National Organization of Women is presided over by lesbians and feminists like Eleanor Smeal, Judy Goldsmith and Gloria Steinem all of whom are Jewish.

Furthermore, most of the prominent authors in the feminist movement are Jewish women. Why? Because Jew's control the publishing industry and because Jewish women hate the Patriarchy taught in both the Old Testament and the New Testament. They hate the Patriarchy of Abraham and Moses and the Patriarchy of Jesus and the Apostle Paul.

Sexual perversion

Most of the male homosexuals who appear on TV shows are Jewish. Did you know that, in a blatant and blasphemous rejection of God's Word, there are many Jewish Synagogues that specifically 'minister' to and are almost exclusively attended by homosexuals? The leader of the militant homosexual activist group 'ACT-UP' is an angry Jewish homosexual named Larry Kramer. Four members of 'ACT-UP' have started the even worse group 'Queer Nation' who gain publicity by engaging in staging radical homosexual 'kiss-ins' at various public events. Another influential Homosexual activist group is 'GLAAD.' GLAAD is the Gay and Lesbian Alliance Against Defamation and it was founded by openly gay playwright and actor Harvey Fierstein. Did you know that the Jewish Poet Allan Ginsberg (who the liberal, Jewish controlled media, celebrated as a genius) was a notorious child molester?

The infamous poet, Ginsberg, was a pederast who had a preference for little boys. It is demonstrably true that the Jews who control Hollywood love to make films that mock Christianity and undermine religious faith. Why? Because they are vociferously anti-Christ!

Another example of Hollywood Jews hatred for America, morality and Christianity can be seen in the takeover of Disney movie studios by Michael Eisner. Eisner has sullied the Disney name by releasing a flood of immoral, pro-homosexual, anti-Christian movies in the last few years. This is why the Southern Baptists and most mainstream Christian denominations have voted to boycott Disney movies and Disney theme parks.

The C.E.O. of the movie studio that made the blasphemous film *'The Last Temptation of Christ'* was a Jew by the name of Lew Wasserman. What would the Jews do if a Christian director made a movie mocking the holocaust? The Jews can make movies that viciously mock everything that we hold sacred

but if you dare to question the Hollywood version of the holocaust they will do everything in their power to ruin your life.

Most of the major companies that produce hardcore pornographic films and magazines are owned or controlled by Jews. Not only in Hollywood but in the underworld of the Jewish Mafia. Bosses such as the late 'Bugsy' Siegel and Meyer Lansky are infamously known for their involvement in both prostitution and the production of pornographic films. Meyer Lansky was known as the 'Godfather of the Godfathers' and 'The Mafia's Banker.' Lansky once bragged '*We are bigger than U.S. Steel.*' 'Bugsy' Siegel, a Jew, was the creator of Las Vegas. Las Vegas was completely, absolutely a creation of organized crime syndicates controlled by Jews. Jews have made huge sums of money, hundreds of billions of dollars, in this nation by promoting and profiting from the 'gambling industry' in Las Vegas and other cities to which this cancer has spread. They have made billions more trafficking in pornography, illegal liquor, prostitution and drugs. Jews like Samuel Bronfman and his sons, who are the billionaire owners of the Seagrams Whiskey conglomerate, started out during prohibition selling illegal whiskey in the USA. The truth is, Jews controlled organized crime, not Italians, as Hollywood has told the story. There is no doubt that these liberal atheist Jews are a cancer in Christian America. But the truth of their despicable activities are concealed from the average American citizen. (This Jewish Crime Family has been called the Mishpuka by other researchers)

The Russian Revolution 1917

It was Jewish bankers in New York City, like Jacob Schiff, et al, who gave the Marxist Leninists Twenty Million Dollars (\$500 million in 1998 dollars) to finance a Communist Revolution in Russia in 1917. By this single treacherous act, the Jewish International Bankers involved in this plot have made themselves responsible for the deaths of all the hundreds of millions of innocents slaughtered by Communists around the world. It is a fact that communism was originally known by most people as 'Jewish Bolshevism.'

Hilaire Belloc, renowned historian in 'G. K.'s Weekly', February 4, 1937 wrote: '*The propaganda of Communism throughout the world, in organization and direction is in the hands of Jewish agents. As for anyone who does not know that the Bolshevik movement in Russia is Jewish, I can only say that he must be a man who is taken in by the suppression of our deplorable press.*'

Almost all of the major players in the formative years of the communist ideology were Jews. Did you know that Karl Marx and Trotsky were Jews? Lenin's grandfather was Jewish. In America the leader of the Communist party for decades was a Jew by the name of Gus Hall. Jews in every nation have been the leaders and financiers of communism throughout the history of the 19th and 20th century.

Here is what the famous journalist and playwright Myron Fagon had to say on this subject in a remarkable speech he gave in the 1960s:

'Now there's only one question and that is to prove that the communist regime is directly controlled by the American Jacob Schiff and London Rothschild masterminds of the great conspiracy. A little later I will provide that proof that will remove even a remote doubt that the Communist Party, as we know it, was created by those masterminds (capitalists if you will note); that Schiff, the Warburgs, and the Rothschilds planned and financed the entire Russian Revolution, the murder of the Czar and his family, and that Lenin, Trotsky, and Stalin took their orders directly from Schiff and the other capitalists whom they supposedly are fighting.'

In an article written by Winston Churchill and published in the Sunday Herald Newspaper in February 8th, 1920 titled 'A struggle for the soul of the Jewish people', Churchill said the following: 'Some people like Jews and some do not; but no thoughtful man can doubt the fact that they are beyond all question the most formidable and the most remarkable race which has ever appeared in the world... And it may well be that this same astounding race may at the present moment be in the actual process of producing another system of morals and philosophy, as malevolent as Christianity was benevolent, which, if not arrested, would shatter irretrievably all that Christianity has rendered possible. It would almost seem as if the gospel of Christ and the gospel of Anti-Christ were destined to originate among the same people; and that this mystic and mysterious race had been chosen for the supreme manifestations, both of the divine and the diabolical... In violent opposition to all this sphere of Jewish effort rise the schemes of the International Jews. The adherents of this sinister confederacy are mostly men reared up among the unhappy populations of countries where Jews are persecuted on account of their race. Most, if not all of them, have forsaken the faith of their forefathers, and divorced from their minds all spiritual hopes of the next world. This movement among the Jews is not new. From the days of Spartacus-Weishaupt (Ed. Note: He is referring here to Adam Weishaupt the 18th century founder of the Illuminati which infiltrated Free Masonry and eventually fomented the terrifyingly bloody French Revolution.) to those of Karl Marx, and down to Trotsky (Russia), Bela Kun (Hungary), Rosa Luxembourg (Germany), and Emma Goldman (United States), this world-wide conspiracy for the overthrow of civilization and for the reconstitution of society on the basis of arrested development, of envious malevolence, and impossible equality, has been steadily growing. It played, as a modern writer, Mrs. Webster, has so ably shown, a definitely recognizable part in the tragedy of the French Revolution. It has been the mainspring of every subversive movement during the Nineteenth Century; and now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their heads and have become practically the undisputed masters of that enormous empire. There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution by these international and for the most part atheistical Jews. It is certainly a very great one; it probably outweighs all others... the majority of the leading figures are Jews. Moreover, the principal inspiration and driving power comes from the Jewish leaders. Thus, Tchitcherin, a pure Russian, is eclipsed by his nominal subordinate Litvinoff, and the influence of Russians like Bukharin or Lunacharski cannot be compared with the power of Trotsky, or of Zinovieff, the Dictator of the Red Citadel (Petrograd), or of Krasin or Radek - all Jews. In the Soviet institutions the predominance of Jews is even more astonishing. And the prominent, if not indeed the principal, part in the system of terrorism applied by the Extraordinary Commissions for Combating Counter-Revolution has been taken by Jews, and in some notable cases by Jewesses. The same evil prominence was obtained by Jews in the brief period of terror during which Bela Kun ruled in Hungary. The same phenomenon has been presented in Germany (especially in Bavaria), so far as this madness has been allowed to prey upon the temporary prostration of the German people. Although in all these countries there are many non-Jews every whit as bad as the worst of the Jewish revolutionaries, the part played by the latter in proportion to their numbers is astonishing... Needless to say, the most intense passions of revenge have been excited in the breasts of the Russian people... Wherever General Denikin's authority could reach, protection was always accorded to the Jewish population, and strenuous efforts were made by his officers to prevent reprisals and to punish those guilty of them... The fact that in many cases Jewish interests and Jewish places of worship are excepted by the Bolsheviks from their universal hostility has tended more and more to associate the Jewish race in Russia with the villainies which are now being perpetrated.' End of Quote by Winston Churchill.

The global spread of communism

It is a fact that Jewish Internationalists have financed and supported communism around the world. For instance, did you know that during the years Nelson Mandela spent in prison, the de facto leader of the African National Congress was a murderous Jewish Communist butcher named Joe Slovo. Slovo, when he was alive, was Nelson Mandela's right hand man in the ANC. Did you know that President Franklin D. Roosevelt once said: *'There is nothing wrong with communists, some of my best friends are communists'*? Did you know that FDR's administration was filled with Jewish communists? Did you know that the chief architect of the evil 'Ponzi Scheme' known as the Social Security System was a Jew by the name of DR Robert J. Myers? Did you know that FDR and his Jewish friends in the banking community put America into a state of emergency in 1933? First they closed all of the banks. Then they took the dollar off of the gold standard and they made it illegal for American citizens to own gold. The United States, in Congress assembled, declared bankruptcy in 1933. Later FDR and company greatly increased the income tax and implemented the payroll deduction of taxes including the Social Security tax. In support of that 'policy', congress has enacted provisions for emergency rule whereby the International bankers could be satisfied. However, this satisfaction requires that Americans surrender their sovereignty, freedom, property rights, labor, and even their beloved children to the State, who now manage the 'human resources' for the benefit of the New World Order.

Did they teach you any of this in the rotten liberal public school system? NO? Well it all happened in the 1930s and 1940s while FDR was President.

Traitors and spies

Jewish liberals, Jewish traitors and Jewish spies have been in the forefront of the communist takeover of nations around the world. Communist Russia did not have an Atomic Bomb until some 'American' Jewish spies named Julius and Ethel Rosenberg sold them the information they required to build a nuclear bomb. The Rosenberg's were executed by the United States government for treason. In April 1951 Julius and Ethel Rosenberg, were in court. They were being tried for treason against the United States. The Judge sitting on the bench, Judge Irving Kaufman is recorded to have said: *'Plain, deliberate, contemplated murder is dwarfed in magnitude by comparison with the crime you have committed'*, he told Julius and Ethel Rosenberg: *'I believe your conduct in putting into the hands of the Russians the A-bomb... has already caused the Communist aggression in Korea... and who knows but that millions more of innocent people may pay the price of your treason. I have deliberated for hours, days and nights'*, said Judge Kaufman, *'I have searched my conscience to find some reason for mercy. I am convinced, however, that I would violate the solemn and sacred trust that the people of this land have placed in my hands were I to show leniency...The sentence of the court upon Julius and Ethel Rosenberg is that, for their crime, they are sentenced to death.'* End of Quote by Judge Kaufman.

How many millions of people have needlessly died in countries around the world because of that one treasonous act? What if it had taken the Soviets another 10 or 20 years to build a nuclear bomb? Was the communist takeover of China inevitable? Absolutely not. If the Russian communists did not have the bomb America would have been more freely able to aggressively fight the advance of communism in China.

Would there have been a Korean war if China had never been taken over by the communists? Absolutely not. Would there have been a war in Vietnam if Communism would have been crushed in it's infancy? Absolutely not! Would four million Cambodians have been murdered by the 'Red Army' if China had

never gone communist? Absolutely not. What about the dozens of deadly communist slaughters in nations around the world, do you think that these wars would have taken place if these Jewish traitors, the Rosenbergs and others, had never given the secrets of the atomic bomb to the communists? The answer is NO. It is very likely that none of these wars, none of these communist takeovers, none of the mass slaughters of innocent Christians in communist nations around the world, none of these atrocities would have happened if America would have maintained unilateral nuclear superiority and if Russia had never been taken over by the Jewish Bolsheviks or if Russia had not gotten the bomb so early in the cold war.

Even the so called father of the Atom Bomb, an American Jew named Robert Oppenheimer, in 1954 had his security clearance revoked because he had been judged to be a security risk. An Israeli Jew by the name of Victor Ostrovsky who was formerly an agent of the Israeli (Top Secret spy/security Agency) Mossad wrote in his bestselling book *'By Way of Deception'* that the motto of the Mossad is *'By way of deception shalt thou do war.'* The Israeli government tried to ban the publication of this book because it shows just how corrupt this Jewish security agency has become. In his book Victor Ostrovsky explained that Jews in all nations have a double allegiance. Their first allegiance is to the Jewish people and Israel. Their second allegiance is to the nation wherein they live. Ostrovsky left the Mossad after being thoroughly disgusted by the immorality of the agency.

David Horowitz is an American Jew who was very liberal in the 1960s and is now, politically speaking, very conservative. In his book *'Destructive Generation'* he relates that both of his parents were communists. Furthermore, Horowitz states that United States Senator Joseph McCarthy was 100% right when he said that our government was rife with communists. Senator McCarthy later died under very suspicious circumstances after the Jewish media had defamed and discredited him. The main thesis of the Horowitz book is that the 1960s were very destructive to all that is good and right in America. Horowitz relates that one of the primary goals of the communists in the 1960s was to promote a breakdown of sexual morality. Why? Because they saw that as the quickest way to weaken the supporting pillars of the Republic of America. The pillars of 'Faith in God' and 'Strong Families headed by monogamous patriarchs' were seen as the major obstacles to the implementation of communism. Most of the Jews in power today are still pursuing this very same course of action by producing TV shows, movies and books that mock Christianity and undermine traditional morality.

All this instructs us, that just as Victor Ostrovsky wrote in his book that there are innumerable Jews in the nations of the world who will spy on their own governments or commit other nefarious acts in the service of the Israeli Mossad, and that therefore, generally speaking, Jews should not, indeed, cannot be regarded as American patriots who are worthy of our trust and high security clearances. Are there exceptions to this rule? Absolutely. However, as a general rule Jews are not, first and foremost, American patriots. They serve two masters. They have a double allegiance. They are Jewish first and American second. Their first concern is the well-being of their fellow Jews in the nation of Israel and international Jewry as a whole and then in a distant second is their loyalty to the land of their birth, America.

The most infamous spies in the history of America, have been Jews. The traitorous American spy Jonathan Pollard, was another in a long list of untrustworthy Jews who have a greater allegiance to Israel than they do to their home land of America. American spy Alger Hiss, who was convicted of being an American member of the Communist Party and was also one of the principal founders of the United Nations, was a Jew. Alger Hiss was the number two man in President Franklin D. Roosevelt's administration and a leader in formulating and administering both our foreign policy and relations with

the Soviet Union. Alger Hiss was the principal author of the United Nations Charter. He was the UN's first Secretary General in April 1945. In February of 1945 at the Yalta Conference when the United States conceded Eastern Europe to the nightmare of communist control, Alger Hiss was the chief aide to Secretary of State Edward Stettinius who was second only to FDR himself.

Assault on moral values

Have you ever noticed that a large percentage of the comedians who do the most shocking, filthy and degrading humor are Jews? Did you know that the so called radio shock jock Howard Stern is a Jew? Did you know that 'Dr. Ruth' Westheimer, the nationally known 'sex therapist', is a Jew? She is another example in an endless list of Jew's who are actively engaged in the destruction of Christian moral values. She is despised in conservative Christian churches because she endlessly espouses the so-called 'safe sex' concept for teenage children.

The assault, via television, on moral values in America has become an overwhelming barrage. The attack is being led by 'Comedy Shows' and TV 'Talk Shows' which feature deranged persons as guests describing every perversion imaginable. These shows are almost exclusively directed, produced and or hosted by Jews. Watch for their names when the credits roll at the end of the show. Roseanne Barr, Ricky Lake, Maury Povich and Jerry Springer are all Jews.

Destruction of the blacks

Jews were the leading slave traders in the 17 and 18th centuries. Surely your high school history teacher must have told you about this? They captured and sold hundreds of thousands of African slaves in early America. But now they pretend to be the friend of black Americans. In the 20th century the Jews have cynically used black Americans to advance their socialist New World Order agenda. In so doing the Jews have facilitated the destruction of the majority of black American families. Liberal Jews have led the battle to force welfare programs through Congress. These welfare programs seem to have been intentionally designed to weaken the black family rather than help them. Jewish liberals have intentionally promoted the sexual debauchery rampant in the black community through many of the different avenues already listed here. Why did they do this? For the obscene profits they have made popularizing vice? Yes. But they also did it for the purpose of undermining America's Christian moral values and for the purpose of advancing their socialist agenda. The decay of black families in America has been intentionally propagated because it functioned as a part of their plan to further the implementation of the NEW WORLD ORDER. For decades now the Jews in control of our media have encouraged the epidemic of crack cocaine usage in the inner cities. How? By producing movies, television shows, and publishing books and magazines glamorizing drug usage, making it appear fun and socially acceptable.

Hatred in the Talmud

Have you ever heard of the Jews Holy book known as the Talmud? The Jews consider the Talmud to be an authoritative compendium of Jewish oral law. Jewish Rabbi's consider the Talmud to be on an equal footing with the Old Testament scriptures. Some of the things that are written in the Talmud are so shocking to the ordinary person that you will scarcely believe these excerpts to be true teachings from the Talmud which are both believed and followed by the Jews. However, if you will take the time to investigate, you will find that we have accurately quoted the Talmud. In the Talmud there are a thousand reminders to the Jew that he is absolutely superior to all other life forms:

Vayikra Rabba 36: *'Heaven and earth were created only for the sake of the Jews.'*

Baba Mezia 114a-114b: *'Only Jews are human ('Only ye are designated men'). The Jews are human beings, but the goyim are not human beings; they are only beasts.'*

Menahoth 43b-44a: *'A Jewish man is obligated to say the following prayer every day: Thank you God for not making me a Gentile, a woman or a slave.'*

Kethuboth 11b: *'When a grown-up man has intercourse with a little girl it is nothing.'*

Sanhedrin 106a: *'Jesus mother was a whore.'*

Sanhedrin 58b: *'If a heathen (Gentile) hits a Jew, the Gentile must be killed. Hitting a Jew is the same as hitting God.'*

Sanhedrin 57a: *'A Jew need not pay a Gentile ('Cuthean') the wages owed him for work.'*

Baba Mezia 24a: *'If a Jew finds an object lost by a Gentile ('heathen') it does not have to be returned.'*

Midrash Talpioth 225: *'Yahweh created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form and is condemned to serve the Jew day and night.'*

So much for Jewish egalitarianism. Jewish compassion for Blacks in America today is as much a fraud as was the claim of Jewish sympathy for the poor people in Russia on the eve of the Bolshevik Revolution.

Unfortunately, due to the abysmal ignorance of our day, the widespread Christian notion is that the Old Testament is the supreme book of Judaism. But this is not so. The Pharisees teach for doctrine the commandments of rabbis, not God; the Talmudic commentary on the Bible is their supreme law and not the Bible itself. That commentary does indeed, as Jesus said, void the laws of God, not uphold them. Britain's Jewish Chronicle of March 26, 1993 states that in religious school (yeshiva), Jews are *'devoted to the Talmud to the exclusion of everything else.'* The Scribes claim the Talmud is partly a collection of traditions Moses gave them in oral form. These had not yet been written down in Jesus time. Christ condemned the traditions of the Mishnah (early Talmud) and those who taught it (Scribes and Pharisees), because it nullified Biblical teachings.

Perversion of the legal system

Another way Jews have contributed to the drug epidemic and the general decay of our nation is through their obvious perversion of our legal system. Jewish lawyers, judges and other liberals have used our courts to tie the hands of law enforcement personnel, giving criminals more rights than the victims of crime. The next time you hear about a vicious criminal being found not guilty of some brutal rape or murder because of the claim of 'Temporary Insanity', you can thank the liberal Jewish Psychiatrists who invented this unjust, demented, twisted piece of courtroom psycho-babble. In the warped thinking of these psychiatrists, guilt or innocence is irrelevant. In the warped philosophy of these Jewish psycho-babblers, they insist that we should 'baby the guilty killers' and on the other hand they promote the abortion holocaust telling women that they should 'kill their innocent babies.'

Hitler

You must accept that Jews hate Christianity. Why? Because of the pogroms they have endured through the centuries in Europe at the hands of unChristian religious men. But today the primary reason is that they claim, and they actually seem to believe, that Hitler was a Christian. However, you can be sure that 99% of the people who will read this article have never been told that Hitler was substantially financed by wealthy Jewish Internationalists such as the Rothschilds.

Myron Fagon, the famous playwright and journalist said in a speech given circa 1965 that these internationalists had plans for 3 world wars. Regarding the International Bankers plans for World War II he said the following: *'...let it be noted that Hitler was financed by Krupp, the Warburgs, the Rothschilds, and other internationalist bankers and that the slaughter of the supposed 600,000 [sic] Jews by Hitler didn't bother the Jewish internationalist bankers at all. That slaughter was necessary in order to create worldwide hatred of the German people and thus bring about war against them. In short; this second world war was to be fought to destroy Nazism and increase the power of political Zionism so that the state of Israel could be established in Palestine.'*

Why did these super wealthy Jews financially back Adolf Hitler? Because these Jewish International Bankers are driven by an insatiable lust for power.

In their cruel, but well-calculated plan to enslave the world, these wealthy International Bankers, the Rothschilds, et al, were apparently woefully incognizant of Hitler's potential for evil, (even though it was plainly evident in his autobiography *'Mein Kampf'*), or else it seems that they evidently were willing to sacrifice some of their less fortunate Jewish brethren in the pursuit of profit and world domination. If the latter is true, if they were aware of Hitler's evil potential as spelled out in his book *'Mein Kampf'*, then they must have cynically judged that if Hitler tried to carry out his plans against the Jews then he would not get very far. Or perhaps they may have reasoned that if Hitler was successful in conducting a little persecution against some less fortunate Jews, that this persecution would yield a great benefit in that it would allow their race to further solidify their claim on the much-coveted title of 'victim' which would enable them to forcefully demand the creation of a homeland in Palestine for the Jews. Today, it is the incessant plaintive Jewish cry of holocaust victimization that has licensed them to make endless Hollywood movies about the Nazi's murder of European Jews while ignoring the hundreds of millions of victims, many of whom were Christians, of Jewish backed communism around the world.

As Pat Buchanan wrote in his autobiography: *'Once Hitler was dead, Hitlerism was dead. Communism, however, did not die with Lenin or Stalin. Wherever it triumphed, churches have been gutted, priests massacred, and children indoctrinated in Communist lies; the family has been subordinated to the state, and the betrayal of friends has become a matter of duty.'* End of Pat Buchanan Quote.

Indoctrination of the American public

The Jews method of propagandizing the American public has been so effective that many people who read this article will find themselves becoming angry without fully understanding why. Many good honest people will be surprised to find themselves almost automatically reacting irrationally with strong feelings of hostility towards the information presented here, even though they are unable to deny the truth of the information. If that describes the way you feel now, we ask you to consider the possibility that your inability to calmly give rational reasons explaining what you believe are the factual errors

presented herein and your inability to explain why you are angry, strongly indicates that you have been the subject of an indoctrination program or a propaganda campaign.

After reading this article some have urged us to use the term 'Illuminati' instead of the term 'Jew.' We wrote them back and told them that the Illuminati was founded by a Jew and financed by the Rothschilds who are powerful Jewish international bankers.

The Illuminati

Here is what the famous journalist and playwright Myron Fagon had to say on this subject in a famous speech he gave in the 1960s: *'this satanic plot (New World Order/One World Government) was launched back in the 1760s when it first came into existence under the name 'Illuminati.'*

'This Illuminati was organized by one Adam Weishaupt, born a Jew, who was 'converted' to Catholicism and became a Catholic priest, and then, at the behest of the then newly organized House of Rothschild, defected and organized the Illuminati. Naturally the Rothschilds financed that operation, and every war since then beginning with the French Revolution has been promoted by the Illuminati operating under various names and guises. I say under various names and guises because after the Illuminati was exposed and became notorious, Weishaupt and his co-conspirators began to operate under various other names. In the United States, immediately after World War I, they set up what they called the 'Council on Foreign Relations', commonly referred to as the CFR, and this CFR is actually the Illuminati in the United States and its hierarchy.' This speech by Myron Fagon was recorded and sold millions of copies in the USA during the 1960s. The entire speech can be both read and heard on the Internet at the following web site: <http://www.ptialaska.net/~swampy/>.

Hatred of Christians

Attention Christians; please stop and consider the fact that Jews get sick to their stomach every time a prayer is offered 'in the name of Jesus.' Why? Because they regard such prayers as blasphemous. Remember, Jews teach their children that Jesus was a liar, his mother was a whore and that the resurrection of Christ was a fraud. This is the primary reason Jews are strongly anti-Christ. Jews are compelled, perhaps even unconsciously, to lead the drive to expunge the name of Christ from our schools, our courtrooms, our government and every public arena. They are 'specially anti-Christ' in a way that ordinary pagans and sinners are not and never will be.

Another reason that Jews are 'specially anti-Christ' and immutably hate Christianity is because they blame Christians for the persecutions they have endured through the centuries. Because of their collective memories of pogroms they have suffered in the past, the Jewish people have an unconscious (and sometimes conscious) desire and a publicly unspoken mission to destroy Christianity in America.

In an article written by nationally syndicated columnist Joseph Sobran in September 1995, Mr Sobran wrote: *'Not only persecution of Jews but any critical mention of Jewish power in the media and politics is roundly condemned as 'anti-Semitism.'* *But there isn't even a term of opprobrium for participation in the mass murder of Christians. Liberals still don't censure the Communist attempt to extirpate Christianity from Soviet Russia and its empire, and for good reason - liberals themselves, particularly Jewish liberals, are still trying to uproot Christianity from America.'* End of Joseph Sobran Quote.

A.N. Field, in his essay *'Today's Greatest Problem'* said: *'Once the Jewishness of Bolshevism is understood, its otherwise puzzling features become understandable. Hatred of Christianity, for instance, is not a Russian characteristic; it is a Jewish one.'*

Blindness of the Church

The Christian church was not always so blind to Jewish malevolence toward their faith. But Christianity and Protestant Christianity has been intentionally 'Judaized' by those such as Darby and Scofield who advanced the heresy of Pre-Millennialism within the church (To understand more about this subject see the PS (Post Script) written to Christians at the end of this article and read the book *'Last Days Madness'* by author Gary Demar.). It has gotten so bad that many churches nearly worship the state of Israel and fear cursing Jews more than they fear God. But it was not always this way in the body of Christ. Here are four quotes by the renowned 16th century Protestant Reformer Martin Luther, an eminent Theologian who was a leading patriarch in the Protestant Reformation.

'Know, O adored Christ, and make no mistake, that aside from the Devil, you have no enemy more venomous, more desperate, more bitter than a true Jew who truly seeks to be a Jew... A Jew, a Jewish heart, are hard as wood, as stone, as iron, as the Devil himself. In short, they are children of the Devil, condemned to the flames of hell.'

'Do not their Talmud and rabbis write that it is no sin to kill if a Jew kills a heathen, but it is a sin if he kills a brother in Israel? It is no sin if he does not keep his oath to a heathen. Therefore, to steal and rob (as they do with their money lending) from a heathen, is a divine service... And they are the masters of the world and we are their servants - yea, their cattle!'

'Now what are we going to do with these rejected, condemned Jewish people? Let us apply the ordinary wisdom of other nations like France, Spain, Bohemia, et al., who made them give an account of what they had stolen through usury, and divided it evenly; but expelled them from their country'

'They are our public enemies and incessantly blaspheme our Lord Jesus Christ, they call our Blessed Virgin Mary a harlot and her Holy Son a bastard and to us they give the epithet of changelings and abortions.'

Today Martin Luther is being denounced for anti-Semitism. If he were alive in the 20th century and said these very same things, he would be silenced and excoriated in spite of the fact that he would be telling the truth. Everything he said in the four quotes above is still 100% true.

Sadly, in most American Churches, Catholic and Protestant, the Priests and the Pastors have forgotten the importance of teaching and reminding Christians that Jew's by their very nature, due to their religion and upbringing, are virulently, relentlessly 'specially anti-Christ.' Tragically the American church has been intimidated into silence by the IRS. Conspiracy theorists allege that the IRS is a mere branch of the Federal Reserve System and is not a Federal agency at all. We have looked at the evidence and we have concluded that it does seem to indicate that the IRS is indeed a private non-governmental corporation. Jewish control of the Federal Reserve System is indisputable and if these theorists are correct then Jews also control the IRS. This needs to be investigated in depth to determine the truth.

Fear of the IRS is so pervasive in America today that churches are now afraid to even discuss, let alone protest, the blatantly anti-Christian activities that the American Jewish community now runs, funds and supports. Jews are giving millions of dollars to numerous maliciously anti-Christian organizations like the

American Civil Liberties Union (A.C.L.U.), Americans United for the Separation of Church and State, People for the American Way (P.A.W.) and the National Organization of Women (N.O.W.). Conservative Christian churches now have good cause to be afraid of speaking about these things because the Jewish-controlled **American Bar Association** is now giving seminars, teaching lawyers how to bring successful lawsuits against churches. In the next few years you will see Jewish owned law firms bringing many more patently ridiculous lawsuits against Christian churches in a further attempt to destroy them.

Did you notice that both of President Clinton's appointments to the **Supreme Court** were far left wing, God hating, pro-abortion, anti-Christ Jews?

Gone too far (including Holocaust exaggeration at the expense of greater genocides)

Friends, it has gone so far now, that the Jews, in the 'Holocaust Lobby' at the 'Simon Wiesenthal Center' and the 'ADL', intent on nurturing their posture as holocaust victims, have been successful in getting laws passed in the states of Florida and New Jersey, requiring children to take classes to study about the 'Jewish Holocaust' and ignore the numerous Jewish inspired 'Christian Holocausts.' Ironically, at the same time there are now more and more 'Revisionist' scholars coming forward and saying that the history of the holocaust as presented by Hollywood is rife with fraudulent claims and exceedingly phony exaggerations. Due to the courage, hard work and scholarly investigation of these 'Revisionists', many of the so called 'atrocities' supposedly committed by the German people during 'the holocaust' have been shown to be outright lies.

For instance, those who once claimed that Jews were made into soap and lampshades by the Nazi's have now been silenced because it has been incontrovertibly proven that this was a complete fabrication made up by the Jewish holocaust lobby.

'Revisionist' scholars insist that less than 600,000 Jews died in Nazi's camps in World War II, not six million as is claimed in fictional movies produced by Hollywood Jews. This is not the first time in history that Jews have made false claims regarding persecution. The Jewish Talmud contains false claims of genocide by the Roman empire against Jews. For instance, the Talmud book makes the following allegations;

Gittin 57b. Claims that four billion Jews were killed by the Romans in the city of Bethar.

Gittin 58a. Claims that 16 million Jewish children were wrapped in scrolls and burned alive by the Romans.

Ancient demography indicates that there were not 16 million Jews in the entire world at that time, much less 16 million Jewish children or four billion Jews.

Related to this topic of ancient Jewish Talmudic exaggerations of persecution is the fact that revisionist scholars have pointed out that the Jewish population in Europe was higher at the end of W.W.II than it was in the beginning of the war. The Revisionists say this proves that there was no Holocaust of the proportions claimed by Hollywood propagandists. All Historians acknowledge that many of the Jews killed by the Germans were communists who were sworn enemies of the German state.

Revisionists also say they have proven that many of the Jews who died in the camps were not executed, but rather they died from exposure to infectious diseases such as typhus and the harsh conditions of

camp life. Remember, during WWII, Germany was a nation engaged in an all-out war for its very survival and the majority of its resources were going to support the war effort.

Furthermore, you should never forget that worldwide more than 25 million non-Jews lost their lives in WWII. More than 100 million people around the world have been killed, in the last 80 years, by communists who have been financed and supported in large part by a strong Jewish presence in the worldwide communist movement. Any honest historian can tell you that tens of millions of innocent Christian people, were slaughtered by the communists in nations around the world. In every nation that they conquered, the communists systematically murdered thousands and millions of Christians. If this is true, and it is, do you think that the German people should continue to suffer having guilt heaped upon them over the comparatively small number of Jews who were killed in World War II? Definitely not. Why? Because Jews seem intent on ignoring the fact that tens of millions of Christians were murdered in Russia and the Ukraine and other nations that were ruled by Jewish Bolshevism, again more commonly known as communism. Have the Jews in Hollywood made even one movie or documentary telling the truth about the communist holocaust against Christians? No! They don't want you to remember or even know about the numerous Christian Holocausts that took place in this bloody 20th century.

Destruction of America

British Historian Paul Johnson in his book *'Modern Times'*, says that in the 1920s the Jews did to Germany what the Jews are doing in America today, i.e. flooding it with perversion via the theaters and corrupting the nation with liberalism. Just as they did in Germany, American Jews are wrongly using our courts and institutions of higher learning to force a type of anti-Christian liberalism upon our nation. In the 1920s, by their own actions, the Jews made themselves a stench in the nostrils of the average German citizen. Hitler, being an evil genius, capitalized on the deep seated frustration of the German people with the filth that the Jews had wrought in their nation. This is one of the principal reasons Hitler was able to perpetrate his evil upon the Jews and upon the nation of Germany. Please, stop and think about the 'facts' you are reading. Are the facts we are presenting in this article TRUE, or, are they LIES? We promise that they are 100% true as you will find out in the next few years as you begin to open your eyes and behold the manifold ways that liberal Jews are corrupting America.

It is almost impossible now for many American businesses to remain competitive in the international market place due to the imposition of endless slip and fall lawsuits, manufacturer's liability lawsuits and other types of nuisance lawsuits initiated by lawyers advertising on TV and encouraging everyone to join the lawsuit lottery. The worst of these lawyers are those like Sam Bernstein, who rapaciously use our courtrooms as their own personal arena of 'legal' plunder. Because of this many American industries have left the country and some such as small airplane manufacturing, have been completely driven out of business by these greedy lawsuit mad attorneys. The lawyers who use the courts in this manner are worse than parasites. They are virtually draining the life blood from our society as they line their bank accounts with the money they have stolen from the pockets of millions of honest, hardworking American men and women by pushing insurance costs through the roof.

In the early American colonies Jews were prohibited from holding office because they were rightly recognized as being anti-Christ and therefore anti-American. Yes, we strongly agree with President George Washington who said: 'anyone who is intentionally anti-Christ, is and should be, regarded as anti-American.' There is no disputing that Jews have proven themselves to be strongly anti-Christ and by extension anti-American according to the proclamation of our first President as quoted above.

During the War for Independence General Washington spoke further regarding the Jews when he said: *'They (the Jews) work more effectively against us, than the enemy's armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in... It is much to be lamented that each state, long ago, has not hunted them down as pests to society and the greatest enemies we have to the happiness of America.'*

Destruction of America - Ignorance of history

Because our public education system is doing such a poor job of educating children most Americans do not know that America was founded as a Christian Nation. Most Americans are unaware of the fact that in the original thirteen colonies Jews, Muslims, Buddhists and atheists, were not allowed to vote or hold elected office. Only those who took a Trinitarian oath could vote, run for, and hold office. It is important to remember that each of the original 13 colonies in America, after the War for Independence was won, were sovereign states. Each of the 13 colonies were in actuality 100% sovereign nations. Most Americans are unaware of the fact that Nine of the original Thirteen colonies had 'State Churches' at the time of the signing of the US Constitution in 1787, from this fact alone you can clearly see that the founding fathers did not write a separation of church and state into the US Constitution to be applied to the states or forced upon the states by the federal government. The doctrine of 'Separation of church and state' as it is currently interpreted by the US Supreme Court is an invention of liberals who hate Christianity. Furthermore, every one of the original thirteen colonies had very strong sanctions against blasphemy, against the taking of the name of the Father, the Son or the Holy Spirit's name in vain. America was a Christian nation before the liberals rewrote history and de-Christianized America. These Christ hating liberals are very close to absolutely destroying the peace and prosperity that we once enjoyed in America.

Destruction of America - Healthcare and abortion

Almost all of the Jews heard on radio and TV support the drive for government controlled health care, i.e., socialized medicine in America. Have you ever noticed that the Jewish radio talk show host Dr. Dean Edell is constantly beating the drum for socialized medicine (when he is not talking about some sexual perversion)? Have you ever noticed that, almost without exception, all prominent Jewish doctors defend and promote the abortion holocaust? These Jewish doctors say: *'While I am personally opposed to abortion, I believe that it must be left up to the woman to choose'*... whether or not to kill her baby. Why do they take this position? Because International Jewry and their fellow travelers, the liberal elites who are advancing One World Government in the name of a New World Order, are very concerned about population control and they are especially concerned with controlling the birth rate of those whom they regard as inferior races. Most Jews, especially those who are well known to the general public via the media, are vehemently pro-abortion. In fact, we are not aware of the name of even one Jew who is both pro-life and prominently featured as a frequent guest in the media or on the national talk shows. Do you know even one prominent pro-life Jew? At the time of this writing we do not know of even one Jew who is 'prominent' in the national media who is conspicuously pro-life.

Destruction of America - Control of politics

Every American President for the last 80 years has been subservient to the 'Shadow government.' The 'shadow government' is another name for those who control our government from behind the scenes. The shadow government in America is the Jewish-controlled Federal Reserve System. Congressman Louis McFadden, House Committee on Banking and Currency Chairman from 1920 to 1931 stated: 'When the Federal Reserve Act was passed, the people of these United States did not perceive that a world banking system was being set up here. A super-state controlled by international bankers and industrialists... acting together to enslave the world... Every effort has been made by the Fed to conceal its powers but the truth is 'the Fed has usurped the government.' Rep. McFadden testified in Congress (1933). There were at least two attempts on his life by gunfire. He died of suspected poisoning after attending a banquet.

Following are three more quotes by Congressman McFadden.

'The Federal Reserve [Banks] are one of the most corrupt institutions the world has ever seen. There is not a man within the sound of my voice who does not know that this Nation is run by the International Bankers.'

'The Federal Reserve Bank of New York is eager to enter into close relationship with the Bank for International Settlements... The conclusion is impossible to escape that the State and Treasury Departments are willing to pool the banking system of Europe and America, setting up a world financial power independent of and above the Government of the United States.' (Rep. Louis McFadden - Chairman of the House Committee on Banking and Currency quoted in the New York Times June 1930)

Speaking on the subject of the Stock Market Crash and the resulting depression in the 1930s Louis McFadden, Chairman of the House Banking Committee, declared: *'It was not accidental. It was a carefully contrived occurrence...The international bankers sought to bring about a condition of despair here so that they might emerge as rulers of us all.'*

Curtis Dall, son-in-law of FDR and a syndicate manager for Lehman Brothers, an investment firm, was on the N.Y. Stock Exchange floor the day of the crash. In his book, *'FDR: My Exploited Father-In-Law'*, he states: *'... it was the calculated 'shearing' of the public by the World-Money powers triggered by the planned sudden shortage of call money in the New York Market.'*

Through their control of the Federal Reserve System, Jews like Alan Greenspan, who is presently the Chairman of the Federal Reserve, control the interest rates in the nation's banks and thereby they exercise complete control over the American economy. By their control of the economy they can make or break any American President. President James A. Madison warned: *'History shows that the money changers have used every form of abuse, intrigue, deceit and violent means possible to maintain control over governments by controlling the money and the issuance of it.'*

President Thomas Jefferson once said: *'I sincerely believe that banking establishments are more dangerous than standing armies; and that the principle of spending money to be paid by posterity*

under the name of funding, is but swindling futurity on a large scale.' and *'The Central Bank is an institution of the most deadly hostility existing against the principles and form of our Constitution. I am an enemy to all banks, discounting bills or notes for anything but coin. If the American people allow private banks to control the issuance of their currency, first by inflation and then by deflation, the banks and corporations that will grow up around them will deprive the people of all their property until their children will wake up homeless on the continent that their fathers conquered.'*
End of Jefferson Quotes.

Thomas Jefferson was prophetic when he spoke these words. America is now mortgaged to the hilt and when it all collapses, the Jewish International Bankers will end up owning everything. They gave us paper 'money' and we gave them everything, our labor, our inventions, our land and our possessions. If we do not stop this crime from continuing, we will end up very much like serfs from the middle ages who had to rent land from the Land-Lords.

President Abraham Lincoln also warned us of these dangerous International bankers when he said: *'The money power preys upon the nation in times of peace and conspires against it in times of war. It is more despotic than monarchy, more insolent than autocracy, more selfish than bureaucracy. It denounces, as public enemies, all who even question its methods or throw light upon its crimes. I have two great enemies, the Southern Army in front of me & the financial institutions at the rear, the latter is my greatest foe.'*

Benjamin Disraeli who was Prime Minister of Great Britain from 1874 until 1880 'became' a Christian in 1817 although both of his parents were Jews. Prior to 1858, Jews were excluded from the English Parliament. It is recorded that the first time he tried to make a speech in the House of Commons, the other members ridiculed him. He shouted: *'I shall sit down now, but the time is coming when you will hear me.'* Disraeli's threat came to pass in 1868 when he first served as Prime Minister for 1 year. Disraeli is known as the 'father' of British imperialism. Once in a moment of unguarded candor he said: *'The world is governed by far different personages than what is imagined by those not behind the scenes.'*

Destruction of America - The Council on Foreign Relations

The Jews who control the United States Federal Reserve System, also control the **Council on Foreign Relations**, the C.F.R. No matter who we elect as President their administrations are always filled with C.F.R. members and that is why no matter who we elect nothing ever really seems to change.

Destruction of America - Infestation of the media, banking, business and government

Have you ever noticed that an overwhelming percentage of all of the experts that the news media go to for the so-called 'objective' quote from an authority, are liberal Jews? It doesn't matter whether they are lawyers or judges, doctors or psychiatrists, actors or directors, journalists or reporters, politicians or highly placed governmental officials, if you will watch your TV closely, you'll see for yourself the endless parade of liberals with Jewish names., such as those from this abbreviated list, from A through Z...

Abramowitz, Ackerman, Actenberg, Adler, Albright, Alter, Asner, Abzug, Asimov, Axelrod, Bader, Baumberger, Berkowitz, Berliner, Berman, Bernstein, Blaustein, Bloom, Blum, Blumberg, Blumenthal, Boschwitz, Boxer, Brandeis, Brenner, Breyer, Broder, Bronfman, Buber, Cantor, Chaffee, Chomsky,

'Forgive your enemies, but never forget their names' - John F. Kennedy (1917-1963)

Please try to remember these names and various other spellings and combinations of these names because these are the names of the leading anti-Christian liberals, the liberal Jews who are deliberately and or unconsciously destroying America. We have written this anonymously because the Jews are now so powerful that they can destroy anyone who even breathes a word of the truth that this letter exposes. They exercise complete control over the world banking community. They control 90% of the worlds gold and diamond markets. People with names like Goldstein, Silverstein, Perlstein and Rubinstein dominate the highest levels of the international 'Jew-elry' business. They completely control Hollywood and most of the major media outlets in this nation. They exercise powerful influence over the governments and nations of the earth by means of the fantastic wealth which these international Jews control. They truly can and will use their power, wealth and influence to destroy their enemies.

Wake up

It is time for all American's who love freedom to wake up and fight the Federal Reserve System, the C.F.R, the Eastern Establishment, the International Bankers, the United Nations and Washington D.C. all of which are controlled either directly or indirectly by powerful liberal Jews! God Bless You, God Bless America and may God open the eyes of the Jews and save them from their blind rejection of Jesus Christ the Messiah of Israel, the Lamb of God and the Savior of all who call upon His name for salvation. For God So Loved the World that He gave His Only begotten Son that whosoever believes on him should not perish but have eternal life. John 3:16.

Postscript

PS - (This Post Script was specifically written to inform Christians of both what is a proper attitude and what their duty is, regarding the information presented herein.) Everything written herein is inspired by Love. A love of the truth. A love of liberty. A love of God. A love for mankind and especially a love for the Jewish people. May we always remember that the Jews were God's chosen people. May we always

remember that they were chosen by God to deliver unto us the Ten Commandments, and the perfect and beautiful Mosaic law contained in the Pentateuch. Let us always remember that Israel was chosen by God to deliver unto us our Lord and Savior Jesus Christ.

Attention, this is perhaps the most important paragraph in this article so please carefully read and take note of the following points. We all should pray that God Will Save and Bless the Jews. Let us pray that God will open their eyes. This article was not written to inspire a hatred for Jews as some may assert. Rather it is written in the hope that with the knowledge presented here, Christians will be empowered to bring things back into balance. It is our prayer that all Christians will love Jews as we ought and hate only the deeds of those who are pawns of Satan. It is our prayer that all Christians will hold the Jews in a place of proper esteem. It is our prayer that no one and especially Christians would never unlawfully or un-righteously oppress the Jewish people. God grant us the wisdom to confront them and the wickedness they are doing without hating them, remembering that Jesus commanded us to *'Overcome evil with good'* and to *'Love our enemies as ourselves.'*

Christians, you absolutely must show this to your priest, your minister or your pastor to get their opinion on this article. Ask them if there are any historical or factual errors in this article. If they acknowledge, (as they should), that it is both error free and Biblical, then you should implore them to make the members of your church aware of the facts presented herein. Urge your Pastor or Priest to actively join the battle against these anti-Christ liberal Jews and help to preserve America as a Christian nation.

The primary reason that America is in such terrible condition is that the church has failed to do God's will. There are many ways in which the church has failed to obey God. Here are three examples for your consideration.

First, the Priests and Pastors of this nation have failed to be *'Watchmen on the wall.'* (See Ezekiel 33:1-7). They have failed to warn the church of the evils of socialism and big government. They have failed to teach Biblical principles of government to the flock and they have failed to obey the great commission to *'Make Disciples of the Nations.'* They have failed to understand that Jesus commanded us to teach all Governments (nations) to obey the Laws of God and wholly submit to the teachings of Christ in the Bible.

Second, the Priests and Pastors of this nation have failed to teach their flock how to apply the principles found in scripture to issues of Public Policy. The average Christian is woefully ignorant of how to apply Biblical principles to such questions as; what type of monetary system a nation should have; or how to Biblically determine what the legitimate responsibilities of civil government are; or how to determine what kind of education system is Biblical and how it should be financed. There is not one Christian in a hundred who could give a well-reasoned answer and a Biblical defense for his answer, to these types of questions. Why is the average Christian so ignorant? Because their Priests and Pastors have failed to teach them the whole counsel of God's Word and how to apply Biblical Principles to issues of public policy.

Third and perhaps most importantly, the Priests and Pastors of this nation have failed in their God appointed mission to follow the model of the Apostle Paul, evangelizing the Jew's first and then turning to the gentiles. In the book of Roman's 1:16, 2:9 and 2:10 the Apostle Paul used the phrase *'to the Jew first'* three times. Indeed *'to the Jew first'* was the model the Apostle Paul consistently followed in his ministry. The Apostle Paul always went to the Synagogue first when he entered a new city, he always went *'to the Jew first.'* We are making the argument that this should be the model for the church as a

whole. We are making the argument that the church has been negligent in evangelizing the Jew. We are making the argument that it is the fault of the church that the Jews now have so much power and are using it for evil. We are making the argument if the church had focused on evangelizing the Jews first that we would have been highly successful and that therefore we would never have reached the point of extreme enmity that exists between Jews and Christians in America today. 'To the Jew First' must once again become the model for the church to follow in drawing up evangelization plans and designing mission programs.

Even the highly respected Reverend Billy Graham has been widely quoted as acknowledging that there are 'Satanic Jews.' In Revelations 2:9 Jesus says: *'... I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan.'* In Revelations 3:9 Jesus says: *'Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; I will make them to come and worship before thy feet and to know that I have loved thee.'* Unfortunately, most Christian ministers fearfully avoid this topic. They are afraid to even mention the destruction that these Satanic Jews are doing in our nation. Furthermore, due to the influence of relatively recent eschatological inventions that unduly exalt the modern day secular state of Israel in history, our Priests and Pastors have failed to warn us that these satanic Jews are bitter enemies of the gospel of Jesus Christ (Speaking of these satanic Jews, Romans 11:28 says: *'Concerning the gospel, they are enemies...'*).

Most churchmen now fear to preach from scriptures such as Revelation 2:9 & 3:9 where Christ plainly tells us that there are Jews who claim they are Jews, but in actuality they are not Jews. They are phony Jews. They are actually members of the 'Synagogue of Satan.' They are Satanic Jews, Talmudic Jews who hate not only Jesus, but also Moses and even the Torah itself. Jesus told these Satanic Jews in John 8:44 *'You are of your father the Devil, and the lusts of your father, ye will do.'* Christ told these Satanic Talmudic Jews (John 5:45-47) that they don't even believe in Moses and that they are certainly not going to believe in Him if they don't even believe in Moses. In Matthew Chapter 23:37-39 Jesus tells us that He longed to draw Israel unto Himself, unto salvation, but they were not willing. Jesus said, in Matthew 24:2 that as a result the nation of Israel would be so utterly destroyed that not one stone of the temple would be left standing. Romans Chapter 11:20 clearly teaches that Israel was cut off because of unbelief. Romans 11:15 states that the 'casting away of' Israel shall result in the 'reconciling of the world.' Because of the sacrifice of the Son of God on the cruel cross of crucifixion, whosoever calls upon the name of Jesus shall be saved, and whosoever refuses to call upon the name of Jesus for salvation, including the Jew, is damned to hell forever.

The Jews are no longer God's chosen people. Now, there is a New Covenant. The Old Covenant was perfectly fulfilled in Christ and by Christ (Hebrews 8:6-13). The Old Covenant was absolutely and completely replaced by the New Covenant. In the New Covenant there is a New Israel, a spiritual Israel, an Israel of God (Galatians 6:16), which is the church, the body of Christ. Galatians chapter 6 verses 15 & 16 states: *'For in Christ Jesus neither circumcision, nor uncircumcision avails anything, but a new creation. And as many as walk according to this rule, peace and mercy be upon them, and upon the Israel of God.'*

These verses clearly tell us that it does not matter if you are a Jew (Circumcision) or if you are a gentile (Uncircumcision). What matters is this; Are you a new 'Creation'? Are you a born again Christian? If you are a 'new creature in Christ' then you are a constituent of the 'Israel of God.' Christians, do you understand that Galatians 6:16 implies that there is an 'Israel of God' and an 'Israel that is not of God'? It is essential for you to understand that the church, the body of Christ has replaced the stiff necked and stubborn Pharisee's, the 'Israel that is not of God.' All of the promises made to Israel under the Old

Covenant now belong to the Church under the New Covenant (Ephesians 2:11-22). The believer in Christ by faith, and not the Jew, is now the seed of Abraham. Now, under the New Covenant, the believer in Christ, not the Jew, is under the blessing (Galatians 3:13-29) of the Abrahamic Covenant. And the Jewish people who currently live in the land, of the nation now known as Israel, and the Jews who live throughout the nations of the world, now have to come to God just like any other nation, through faith in Christ (Romans 9:30-10:4). The Old Covenant requirements for atonement were fulfilled by Christ and have passed away (Heb 8:13, 2 Cor 3:6-14). There is no other way for Jews or anyone else, to be saved or blessed by God, except through faith in Christ (Acts 4:10-12). Biblically speaking, this means that not only are Jews enemies of the Gospel of Christ (Romans 11:28), they are going to hell forever if they continue in their stiff-necked rebellion against Christ (Acts 7:51-60). Jesus rebuked these Satanic phony Jews very harshly in the 23rd Chapter of the book of Matthew. I recommend that you read all of these scripture references and you will plainly see the truth of what is being taught here, that the modern secular atheist liberal socialist internationalist Jews of our day, are vicious satanic enemies of Christ and His bride spiritual Israel, the Israel of God which is clearly none other than ALL Christians or the whole Christian Church. In the book of Acts 3:13-15 Peter plainly states that it was these very Jews who 'killed the prince of Life' and they are still trying to kill Him and his followers today.

Many Pre-Millennial Christians point to the wealth and success of the Jews as a sign of God's continued blessing through the Abrahamic Covenant. But the truth is that these wealthy Jews are nearly without exception atheist enemies of God and most of the Orthodox Jews of the world are much poorer than their wealthy brethren and they are also societal outcasts for the sake of their religion. From this you should realize that it is not God who is blessing these satanic Jews, because God would be blessing the Orthodox Jews, the religious Jews, not the atheist Jews. Instead we see the rich blessings of God bestowed on the western Christian nations and especially the United States, the most thoroughly Christian nation yet seen in all history. Pre-Millennial Christians also mistakenly think that the rebirth of the nation of Israel was a work of God and a sign of the end times. The truth is that the Body of Christ, the Church, has replaced the nation state of Israel as God's instrument of salvation and that the modern nation state of Israel was birthed by a satanic Zionist Jewish/Illuminati plot rather than by God. The current nation state of Israel is irrelevant to what God is doing in the earth. Pre-Millennialism is nearly dead, intellectually speaking. In 50 years very few theologians in the body of Christ will still be Pre-Millennial. Then the church will grow up and reject her childish fantasies of flying away, in a rapture, from this terrible world without having to do the work of fulfilling Christ's command in the Great Commission; making disciples of the nations (See Matthew 28:19).

The second advent of Christ will not occur until the church of Christ rules the nations of the world by ruling in the hearts of men and not by ruling through force of government as the church has mistakenly done in the past. Just as it is true that a tiny minority of Jews now rule nearly all the governments of the world by control of their monetary systems, it is possible that in the future a tiny minority of mature Christians in positions of freely elected leadership will rule the nations of the world for King Jesus and His glory. Then shall Christ return to receive a mature bride who is without spot or wrinkle.

It is very, very important to remember that in spite of being fiercely anti-Christ most Jews are unaware of the plans of these International Bankers and they consider themselves to be nothing more than 'well-meaning liberals.' It is also very important to remember that there are a growing number of Orthodox Jews who love the law of Moses, they love their Bible and they do their best to obey God. These Jews, politically speaking, are friends of Conservative Christian Americans. Rabbi Daniel Lapin is an example of a very conservative Jew who is also a friend of conservative Christians. [We plead with you to read Rabbi Lapin's book 'America's Real War'](#) because in this book Rabbi Lapin verifies nearly every claim made in

[this article](#). There are also a growing number of Jews who have received Christ as their Savior. They call themselves Messianic Jews and they are also friends of those who are fighting for a conservative Christian America. There are also a growing number of Jews who are disillusioned with liberalism and although they are not religious they have become political conservatives. It is very, very important to remember that these groups of Jews, politically speaking, are not the bitter, adamant, arch enemies of a Conservative Christian America as are the Jews of the 'synagogue of Satan.' Therefore, it is important to note that not all Jews should not be regarded as enemies of Christ and or enemies of a Christian America.

Remember Christians, God is Love and we, the children of God, should be known by our Love, but we should also be known by what we hate. The modern church has been feminized and liberalized to the point where we have forgotten that 'Love' and 'Hate' are opposite sides of the same coin. For instance, if you proclaim a love for the truth, then you are necessarily proclaiming a hatred for lies. Hate is good if it is motivated by love for Christ and if it is controlled by the Holy Spirit. A Christian who only 'loves' and does not 'hate' is an impotent, weakened, powerless disciple of Christ. Do you remember what Christ told us in the book of Luke 14:26? He told us that we are to love Him so much that we should 'hate' those who would try to take us away from following Him even if it is our parents, spouse, children, brothers or sisters. In the book of Matthew 5:13 Christ commands us to be salt and warns us that if we lose our 'saltiness' that we will be cast out and trodden under the feet of men. This is what has happened to the church in America today. The church has lost its 'saltiness'. You must remember that for thousands of years, salt has been used both as a preservative of food and as a medicinal antiseptic when it was poured into wounds. Christ was telling us in the scripture above that if we as Christians refuse to pour our stinging words of rebuke into society in an effort to preserve that society then the result will be that Christians will be persecuted, mocked, alienated and generally 'trodden under the feet of men.' The church and Christians in general are no longer willing or able to be salt in this wicked, corrupt society that liberals have created. If you are a 'genuine' Christian, you will have a proper balance of both love and hate. If you have only mushy ambiguous feelings of 'love' toward sinners and society as a whole, then you are useless to Christ and useless in reforming culture towards Biblical values.

If you are only filled with bitter, angry feelings of 'hatred' toward sinners, liberals and society as a whole then you are equally useless to Christ. Remember love and hate are positively two sides of the same coin. They are both positively necessary in the heart of a Christian if he is going to fully follow Christ in both love and truth. As Christians we are commanded to '*hate that which is evil and cling to that which is good*' (Romans 12:9). We are commanded to hate the evil works of the enemies of God (Psalms 97:10 Ye that love the LORD, hate evil). There is a false teaching in the church today that says we should '*hate the sin*', but we are told that '*we should love the sinner.*' In stark contradiction to this philosophy Psalm 5:5 tells us '*the Lord hates all the workers of iniquity.*' If you want to be like your Father in Heaven you likewise should '*hate all the workers of iniquity.*' Yes, God is love and God hates the workers of iniquity. Psalm 139:21-22 asks '*Do not I hate them, Oh Lord, that hate thee?... I hate them with perfect hatred: I count them mine enemies.*' Do you hate those who hate God? Do you count those who hate God as your 'enemies'? In Matthew chapter 7 verses 16 through 20 Christ plainly tells us there is no difference between the sinner and his sin. Christ says '*by their fruit you shall know them.*'

In the Gospel of Matthew 12:34-35 Christ says to the Satanic Jews from the synagogue of Satan: '*Oh generation of Vipers, how can ye, being evil, speak good things? For out of the abundance of the heart the mouth speaketh. A good man out of the good treasure of his heart bringeth forth good things: and an evil man out of the evil treasure bring forth evil things.*' In this scripture Christ plainly taught that you

shall know a man by the good or evil actions that he does and that these evil actions come from his heart. Christ did not teach us to *'love the sinner'* and *'hate the sin.'* Christ taught that the man and his sin are one and that we need to command sinners to repent and warn them that they will go to hell forever if they refuse to repent. That, my friends, is true love. As the scripture proclaims: *'Open rebuke is better than secret love.'* - Proverbs 27:5

Friends, scripture commands us not only to pray for the Jews, but also to boldly witness to them and tell them the truth about going to Hell forever if they reject their Messiah Jesus Christ. They should be presented with the information in this article and warned against joining forces with these Satanic Socialist Jews who are working for world government.

The evil plan of these Internationalists, both the Jewish International Bankers and their fellow secular atheist liberal fellow travelers, has now gone so far that there may be no turning it back. We may have to suffer under their monstrously evil plan for world domination until it collapses under the weight of its own folly just as the USSR collapsed. If the American people are going to remain free we are going to have to make a stand against the forces of evil. We are going to have to fight for our freedom. We are going to have to destroy the New World Order, the Federal Reserve System and the United Nations or one day, we may find ourselves fighting foreign troops on our own soil. We must restore a constitutional hard currency monetary system in our nation and dissolve the Federal Reserve Banking system and refuse to repay the national debt to the international parasites who now control the monetary system in the United States. This can be done by forgiving all debt and making the Bankers suffer the cost of this 'year of Jubilee.' The former candidate for the Presidency of the United States and America's most highly decorated Green Beret Commander Colonel Bo Gritz says that when the Federal Reserve Act was passed in 1913 that there was and still is a clause that gives the U.S. government the option to buy back all shares in the Federal Reserve Bank for \$144,000,000.00. Currently the U.S. government spends \$144 Million dollars every 18 seconds. (Taken from Pg 6 of Gritz campaign 'White Paper' titled *'Truth or Consequences in 1996'*.) If this is true, then this is exactly what the US government should do, id est [sic], buy back the Federal Reserve System and put our nation back on a thoroughly Constitutional Gold backed monetary system.

Warning

WARNING: You must arm yourself NOW, before they make it impossible to buy the guns and ammunition that will be necessary for self-defense. The future plans of the Internationalists for America are to disarm us, collapse the economy, issue national identification cards and print new money to move us closer to their ultimate goal, a one world currency as a precursor to one world government.

They plan to suspend the United States Constitution and the Bill of Rights, declare martial law, create a one world monetary system, centralize all power in a world government and make us slaves in their New World Order! We plan to restore America to a Constitutional Republic of limited government with very low taxes, decentralized power and a monetary system that is based upon hard currency. We will abolish both fiat/paper currencies and fractional reserve monetary/banking systems. We plan to abolish the United Nations and every agency associated with world government.

Important

IMPORTANT: If you love America, please make hundreds of copies of this letter and distribute it anonymously in shopping malls, airports, bathrooms, bus stations, truck stops, parking lots, churches,

schools, emailing it to hundreds and thousands of people, faxing it to everyone you know and by posting it to the Internet and local BBS's in your home town.

Tell, - No, Warn your Jewish friends that they if they continue to use their wealth and power to destroy Christianity, that they are destroying the very foundation of the tolerance they formerly enjoyed in America. Tell them to read Rabbi Daniel Lapin's book '*America's Real War*' because that is exactly what Rabbi Lapin's book was written to do, id est [sic], warn Jews that if they destroy the Christian foundation of America that they will be cutting their own throats and preparing the ground for future pogroms. Forewarn your Jewish friends that if they are successful in destroying Christianity in America that history will likely repeat itself and that they will be held responsible for laying the ground work for a holocaust more serious than any they have yet suffered.

Remind your Jewish friends that it was the atheists, the Communists, the Nazis and irreligious pagans, not Christians, who have been responsible for every instance of genocide in the 20th century. Remind your Jewish friends that all of the persecutions and pogroms of past centuries that they endured under Monarchs and so called 'Christian' governments pale in comparison to what Hitler and Stalin and other pagan atheist leaders have done. The future of our nation may rest on whether the truth reaches the American people in time to stop these infernal bankers who are planning to rule over us in a one world government. You can help us to stop these God hating anti-Christ allies of Satan who are intent on building a one world government. You can help us stop the New World Order, destroy the United Nations, stop the drive towards One World Government and help preserve America as a Christian nation by making copies of this article and circulating it widely. *'Be strong and of good courage and do it. Fear not, nor be dismayed; for the Lord God... will be with you.'* (1 Chronicles 28:20)

[Note: The following letter actually seems to confirm much of what the above article says. Note that at one point the author of the letter quotes a statement about the people who supported Hitler's rise to power which says that *'all the bankers named are gentiles, not Jewish'*; yet later he writes *'old money, including the Rothschilds and Rockefellers, had largely engineered Hitler's rise to power'*. Mind you, he claims that the Rothschilds are not Jewish, being, he says, of Khazar origin.]

OPPOSING POINT OF VIEW BY DR. LEONARD HOROWITZ

April Issue Response

April 12, 2001

Clay Douglas,
Editor/Publisher
The Free American
US Hwy. 380, Box 2943
Bingham, New Mexico 87832

Dear Editor,

I am writing to express my deepest, heart-felt, sadness regarding your April 2001 feature entitled, *'Jews: Do They Really Run the World? Is it Hate to Ask that Question?'* As someone who has contributed to, and financially supported, your work and magazine for years, I am now suddenly confronted by the use of The Free American to promote hatred against the Jewish people, not just the 'Jews' alleged to be controlling the world. For this I express my sincere apologies to the intelligent remnant that perceive, as I do, the abuse of the First Amendment (freedom of speech) in this issue.

Above all, I am extremely disappointed in you for publishing such a contextually biased and hate filled article, allegedly by an honest, investigative, anonymous author, who on every page provides egregious distortions condemning the Jewish race in general as people *'by their nature, due to their religion and upbringing, are virulently, relentlessly 'specially anti-Christ.'* You abuse our friendship, my support, and my name to justify your cause. You used me as an example of one of few 'good' Jews in your opening paragraph by writing: *'there were many Jews who believed in Christ, called Messianic Jews, . . . who were not involved with any anti-Christ movement.'* These quotes aptly exemplify the ignorance, and subliminal racism, of your publication. The term 'nature' implies a genetic predisposition or evolution, but 'religion and upbringing' refers more accurately to behavioral and cultural determinants of admittedly biased and likewise hate-filled Jewish ideologies. The second quote implies the vast majority of Jewish people are taught to hate and fear versus love and respect Christians and/or Christianity. As a Jewish man and author of *'Why It's Time Jews and Christians Unite'*, I submit this was not my experience during family or religious instruction. Nor do I believe that Jews, in general, are reared to distrust gentiles any more than other Jews, or any more than gentiles are taught, through works like yours, to distrust Jews.

I was obviously wrong to assume you understood the destructive manner in which populations (we refer to as 'sheeple') have been, and with your article are being, divided to conquer the global flock. For this, I also apologize to my supporters since I suspect your feature has done more to misinform the American patriot community than any 'anti-Semitic' publication I have read to date, including *The Protocols of the Elders of Sion* (the Masonic document that was re-named *'Protocols of the Elders of Zion'* following its reworking to propagandize, like your article, Jewish hate).

Deceptively, you stated: *'The author went to great lengths to point out that all Jews were not necessarily involved' in global fascism and genocides.'* Where in the article were these 'great lengths'? Why would you even add the word 'necessarily' in the above quote? This implies your own belief that possibly all Jews participate in this sinister plot, or your desire to raise such suspicions in gullible readers.

Cunningly, stating your own position/bias, you challenged *'anyone who could, to dispute the facts'* presented by the anonymous author. Why would anyone bother when you, the editor/publisher who most readers assume did his due diligence in substantiating the author's claims (suspiciously missing references) stated: *'It was factual, a little frightening, and dead on when put into context with current events.'* Regarding current events, your publication fits precisely the 'divide and conquer' New World Order protocols.

Time does not permit me to respond to almost every page and paragraph of the article that included gross misrepresentations. I will focus merely on two glaring deceptions: the alleged Jewish-ness of international bankers, particularly the Rothschilds, and the alleged 'Jewish control' over Hollywood and the liberal media in general. The following is excerpted largely from my forthcoming book, *'Death in the Air: Globalism, Terrorism and Toxic Warfare'* (Tetrahedron Publishing Group; 1-888-508-4787). I have added 'not Jewish (NJ)' to the globalists and international financiers who shame other religions.

Rothschild, J.P. Morgan, and the Rockefeller Banking Axis

The most infamous anti-Jewish document in history *'The Protocols of the Elders of Zion'* was reworked (into the *'Elders of Zion'*) during a meeting led in 1773 by **Mayer Rothschild, a non-Hebrew Khazar**. The Khazar's ancestry, according to most scholars, stems from Noah's son Yefet (Japheth), predating Abraham's covenant with God, the tribe of Judah, and therefore, the first genetically Jewish people. Baigent et al in *'Holy Blood Holy Grail'*, provided a harsh reality check regarding the Masonic, not 'Jewish', origin of these infamous Protocols. Originally a secret document that heralded a deadly totalitarian plot for herding the masses into a 'New World Order' run by financial elitists, the document had been turned into an anti-Semitic propaganda piece during the Russian revolution. *'By 1919, the Protocols were also being circulated by Alfred Rosenberg'*, who later became the chief racial theoretician and propagandist for the National Socialist Party in Germany. The document was said to have advanced convincing 'proof' of an 'international Jewish conspiracy.' Hitler referred to it in *'Mein Kampf'* with vicious conviction as to the document's authenticity. Today, experts correctly view the Protocols as an insidious forgery distracting from the original globalists' document.

Professor Carroll Quigley (NJ), President Clinton's teacher and mentor at Georgetown University during the mid-1960s, explained that the financial elite maintained global colonialism among their highest aspirations. In order to accomplish this, secret societies were administered largely on behalf of the Rothschild (NJ) and Rhodes (NJ) dynasties. The secret societies in which they invested had inner member structures that were shielded by successively larger outer circles. The central part of the structure was established by March, 1891, using Rhodes's money. Rothschild trustee Lord Alfred Milner directed the organization that was called 'The Round Table.' This organization *'worked behind the scenes at the highest levels of British government, influencing foreign policy and England's involvement and conduct of WWI' and later WWII.*

According to secret society investigator and author Jan van Helsing, the British Secret Intelligence Service (MI6) evolved largely from efforts of members of the Committee of 300 and The Round Table.

Other sources have reported that MI6 has exercised far greater worldwide control than most people realize. More wiretaps in the United States, for instance, have been administered on behalf of MI6 than the CIA. In this regard, Loftus and Aarons reported in *'The Secret War Against the Jews'* (St. Martin's Press, 1996), that: *'for the last fifty years, virtually every Jewish citizen, organization, and charity in the world has been the victim of electronic surveillance by Great Britain, with the knowing and willing assistance of the intelligence services of the United States.'*

To set the stage for the first World War, The Round Table directors developed the 'Royal Institute for International Affairs', or RIIA. It was also known as 'Chatham House' and had among its members Lords Albert Grey (NJ) and Arnold Toynbee (NJ). The latter was known as the 'eminence grise' of MI6.

Apparently the Masonic influence in the affairs of the world's leading intelligence organization has been striking and esoteric. Even the name 'MI6' reflected knowledge of the ancient mystical arcana, as discussed in my earlier book *'Healing Codes for the Biological Apocalypse'* (Tetrahedron Publishing Group, 1999).

It was Lord Toynbee of the MI6 who, following 'brainstorming' sessions conducted at the Wellington House into ways to condition the public into accepting World War I, delivered the orders from the Committee of 300. Dr. John Coleman, a retired MI6 agent, documented this in his excellent book, *'Conspirators' Hierarchy'*. Other famous members of the Committee of 300, past and present, included many non-Jewish leaders including George Bush, George Schultz, J.P. Morgan, John M. Forbes, David Rockefeller, and Cardinal Spellman.

Another leading committee member, Lord Rothermere, used his newspapers to test the Wellington House 'social conditioning' strategies. Following a six-month test period, it was learned that eighty-seven percent of the public had formed their opinions without using critical or rational judgment (the intended result) much like the risk posed by The Free American Jewish-hate article. Thereafter, the English working class, according to van Helsing, *'was subjected to sophisticated propaganda methods to convince them that they had to send their sons by the thousands to their deaths'* in WWI.

In response, Teddy Roosevelt, the 26th President of the United States, complained during his 1912 election campaign: *'Behind the visible government there is an invisible government upon the throne that owes the people no loyalty and recognizes no responsibility. To destroy this invisible government, to undo the ungodly union between corrupt business and corrupt politics is the task of a statesman.'*

From Shadow Governors to Rockefeller High Finance

The solidification of secret society power in America began in 1776 around the time Adam Weishaupt was establishing the Order of the Bavarian Illuminati on behalf of the Rothschilds. The anonymous Free American author correctly detailed how Weishaupt, genetically Jewish *'converted to Catholicism and became a Catholic priest...'* before he formed for the Rothschilds the Illuminati organization. Thus, how 'Jewish' was he?

Your article, and Freemasons, obviously wish to pin the blame for global genocides and agendas on 'Jews' rather than Freemasons currently seeking the deception of patriotic America, yet the founding of the United States was the result of the secret plan carried out by Freemasons beginning in the 17th century. Freemasons had organized the American War of Independence. The U.S. Constitution was penned and signed by Freemasons. Almost a third of American presidents have been Freemasons. The

Great Seal of the United States with the pyramid and all seeing eye, the bald eagle that replaced the phoenix, the original thirteen states, stars and stripes, were all adopted symbols of Freemasonry. Though they had been put in place by Weishaupt to convey Rothschild wishes, the symbolism dated back to the Masons of ancient Egypt. The Illuminated pyramid on the American dollar bill was the design of Philip Rothschild (NJ) as Ayn Rand, his lover, divulged in 'Atlas Shrugged'.

Although early American political leaders Benjamin Franklin (NJ) and Thomas Jefferson (NJ) heavily favored private centralized banking, in 1790 Alexander Hamilton (NJ) was appointed secretary of the treasury, and reformed policy heavily favoring his silent benefactors Mayer Amschel Rothschild and his sons. A year later, Hamilton established the 'First National Bank of the United States' fashioned after the 'Bank of England.' The Rothschilds controlled it.

After Mayer Rothschild's death in 1812, Nathan took control over the family fortune and opened the 'Nathan Mayer Rothschild & Sons Bank' in London, Vienna, Paris, and Berlin. In America it was represented by J. P. Morgan (NJ) & Co., August Belmont (NJ) [actually a [Jew](#)] & Co., and Kuhn Loeb & Company. During the American Civil War, the Rothschilds financed both sides of the conflict. *'The reasons leading to this civil war'*, van Helsing wrote, *'were almost completely due to the actions and provocations of Rothschild agents.'*

One of the troublemakers, founder of the 'Knights of the Golden Circle', was George Bickley (NJ). Bickley extolled the advantages of succession from the Union by the Confederate States. On the other side, the Rothschilds, J. P. Morgan and August Belmont banks financed the Union. In addition, Rothschild's London bank supported the North, while its Paris bank funded the South. It was a glorious business. President Lincoln finally caught wind of the scam and withheld immense interest payments to the Rothschilds. He then petitioned Congress to print 'greenbacks', dollars over which only the Union held printing power. In response, the furious Rothschilds are said to have arranged his assassination. John Wilkes Booth murdered Lincoln on April 14, 1865. Booth was freed from jail due to the efforts of the Knights of the Golden Circle. He spent the duration of his days living comfortably in England, funded by the Rothschilds.

By the early 1900s, the Masonic-linked 'secret societies', including the CFR, held a stranglehold on America's leading social, economic, and political institutions.

In 1913, American banking mogul William Averell Harriman (NJ) was initiated into the Skull & Bones fraternity. During the 'Roaring Twenties' Harriman became the chief Western financier of communism, the Russian governments, and their Ruskombank where Max May, a Skull & Bones brother of Harriman, was vice-president. **May was simultaneously vice-president of the Guaranty Trust Company, controlled by J. P. Morgan and by extension the Nathan Mayer Rothschild Bank.** Other Skull & Bones members partnered with J. P. Morgan at that time included Harold Stanley and Thomas Cochran (NJ). The capital used to create the Guaranty Trust came from the Harrimans, Rockefellers, Vanderbilts (NJ), and Whitneys (NJ), all families with blood kin in the Skull & Bones. Percy Rockefeller (NJ) represented his family's interest in the Skull & Bones as well as Guaranty Trust, which he directed from 1915 to 1930. **Rothschild and Bavarian Illuminati representatives helped establish the Rockefeller's European Standard Oil empire as well as Carnegie's steelworks and Harriman's railroad.**

Many ignorant 'patriots' have claimed the Rockefeller family is Jewish. This stems largely from an article spread in 'Christian' circles by Richard Darcy, Jr. entitled *'Rockefeller's Jewish Ancestor!'* (The misspelling of Ancestry was Darcy's.) He referenced Stephen Birmingham's book, *'The Grandees'*, in which the

author stated the Rockefellers, and other elite American families, were surprised to learn of their Sephardic ancestry. The fact is that as early as 1904 Silas Hubbard self-published from New York a book exposing John D. Rockefeller's various frauds citing his Sunday church-going/ Bible-carrying behavior and alternatively Monday through Friday criminality.

The introduction of the 'Federal Reserve System' in 1913 enabled the Rothschild/Rockefeller banking axis to consolidate their American financial powers. Banking chiefs, who were largely supported by the Rothschilds, became the chairmen of the first Federal Reserve Bank of New York.

Following passage of 'The Federal Reserve Act', Warburg led the U.S. Congress to fraudulently forward the 16th Amendment to the Constitution that granted Congress the power to levy personal income taxes on American citizens. The legislation was required since the United States government could no longer print money to finance its operations due to the controlling forces of the international banking cartel.

The Warburg family, admittedly Jewish, is said to have heavily financed Hitler's rise to power and I.G. Farben's operations along with the Rockefellers and others. In Sidney Warburg's 'Hitler's Secret Backers' (CPA Book Publisher, 1933, reprinted 1983), prominent Nazi officer Franz von Papen credits the book for accurately detailing Hitler's financial backers wherein 'all the bankers named are gentiles, not Jewish.'

[In] *'With No Apologies: The Personal and Political Memoirs of U.S. Senator Barry Goldwater'*, the obviously Jewish Senator expressed the insider's view that The Round Table's cover organization, the CFR, tightly controlled the American political scene with Rockefellers at the helm: *'I believe the Council on Foreign Relations and its ancillary elitist groups [referring to the other 'secret societies' such as the Skull & Bones] are indifferent to communism. They have no ideological anchors. In their pursuit of a New World Order they are prepared to deal without prejudice with a communist state, a socialist state, a democratic state, monarchy, oligarchy; it's all the same to them.'*

'... Their rationale rests exclusively on materialism', Senator Goldwater added. *'When a new president comes on board, there is a great turnover in personnel but no change in policy. For instance, as stated earlier, during the Nixon years Henry Kissinger, CFR member and Nelson Rockefeller's protégé, was in charge of foreign policy. When Jimmy Carter was elected, Kissinger was replaced with Zbigniew Brzezinski (NJ), CFR member and David Rockefeller's protégé.'*

Henry Kissinger, hailed as a hero by unwitting Jewish organizations, and recently exposed as a war criminal in Harper's magazine (Feb. and March, 2001), was excommunicated from the Jewish religion on June 20, 1976 during a religious ceremony presided over by five member Rabbis of the Supreme Rabbinic Court of America, partly for helping top Nazi war criminals to escape from Germany at the close of the war.

Thus, the Bible correctly counsels: *'Beware of those that call themselves Jews who are not.'* In regard to the above, and the repugnant Free American article, readers are urged to: *'Beware of those that call non-Jews 'Jews' in an effort to create inter-racial and inter-religious hatred.'* In the anonymous author's case, it might also be wise to *'Beware of those that call themselves Christians who are not.'*

Concerning the repeated allegation that Hollywood, and the general media, is 'controlled by Jews', Dr. Coleman more accurately detailed the Committee of 300's control over the American media by way of

the CFR. He likewise recognized Zionism, and virtually all major religions, heavily infiltrated, if not completely controlled, by primarily British globalists.

America's mainstream magazine chief, for instance, Henry Luce (founder of Time, Life and many other periodicals), helped, along with the Rockefeller family to engineer the 'National Purpose' for all Americans during the early 1950s. This included linking '*guns, butter, and the new technology*' for '*weapons production to the cause of Freedom and the Free World.*' Henry Luce, according to his biographer, W.A. Swanberg, was '*the son of missionaries and one of America's leading Presbyterian laymen.*'

Moreover, intelligent persons would glean from the Halpern/Jacobovici documentary '*Jews, Movies, Hollywoodism and the American Dream*' more of the truth. Each of the movie studio founders were Jewish immigrants who toughly fought their way to the top of an industry controlled by the White Anglo-Saxon Protestant (WASP) elite who maintained support from bankers; the old money. The Jewish film financiers were unable to compete in New York where the Edison Corporation had monopolized the movie industry early by producing films that degraded Jews and Blacks as the stagnant underclasses. The Jewish moviemakers, thus, moved to Hollywood, California to circumvent this political snag. Here they found fertile soil, what America was supposed to provide, for their creative and imaginative productions. Increasingly successful with the development of films that consistently relayed the struggles of 'little guys' against various establishments and odds; their own story reflected in many, if not most, of the Westerns and musicals they produced; they largely (some historians claim totally) created the fantasy culture in which we as Americans currently live.

Shortly before World War II, some of the Hollywood Jews began to speak out against fascism on American shores. They likely realized that old money, including the Rothschilds and Rockefellers, had largely engineered Hitler's rise to power, and that America too was threatened in the same way pre-Nazi Germany had fallen. Harry Warner, Warner Brothers Studio chief, for instance, gave an anti-fascist speech before the American Legion in which he clearly referred to the secret racist societies and apparently the Liberty Lobby's neo-Nazi 'propaganda machine' in America. He urged: '*Drive them out. Make America unsafe for those who seek to tear down what others have built through the generations from 1776. Drive them from their secret meeting places. Destroy their insidious propaganda machines. Drive out their [Skull &] Bones', and their leagues, the [Ku Klux] clans and the black legions, the silver shirts, the black shirts, and their dirty shirts. Help keep America for those who believe in America.*'

As a result of this perceived threat, Former Ambassador to Britain, Joseph P. Kennedy, met secretly in Los Angeles with officials representing the international bankers and shadow governors. He reportedly argued that Jews would be blamed if America entered the war, although there were other secret matters discussed. It is likely that Harry Warner's American Legion speech alarmed America's elite that they may be vulnerable to Hollywood exposes.

Hypersensitive to Jewish persecution, and their own continued immigrant status and insecurities, the movie moguls refused to produce any films heralding the Nazi threat prior to the Pearl Harbor attack and America's declared war with Germany. The two anti-Nazi films that were produced in Hollywood before that time came from non-Jews.

With the war, and the American government's urging, Hollywood went into full-scale production of propaganda films. Roosevelt had personally requested the moguls produce Russian films depicting the

communists as our friends. This was later used against the Hollywood filmmakers during the McCarthy era.

By World War II, the 'Hollywood Jews' had worked to become totally secular with similar themes in their films reflecting mass integration, including intermarriages. Though the American military was racially segregated completely at that time, Hollywood movies depicted our armed forces as fully integrated. The Jews in Hollywood had done such a superb job on behalf of the American war effort that following armistice the studio bosses received military awards. They were also escorted to Europe to tour the concentration camps courtesy of the U.S. Government. Historians remain perplexed as to why no films were produced depicting this genocidal horror. The consensus of critics holds that the 'Hollywood Jews' were simply too afraid to project any pro-Jewish sentiments that might lift their thin veil as seculars and integrated Americans.

Following the war, Louis B. Meyer, MGM Studios chief, called for the creation of a 'new human type', liberated from the fears and persecutions of racism in America. *'We gather here today', he said, 'not as Catholics, Protestants, or Jews. All of the ancient bloods have contributed to those who meet here today. This great country is itself the result of the unity of all of these ancient bloods. We are all here as Americans.'*

Soon after these words were spoken, the Hollywood Jews were called before the U.S. Congress's Hearings on Communism directed by the vicious and openly anti-Jewish John Rankin, who like The Free American article, blamed Jews for virtually every social woe. During the hearings, a number of persecuted movie executives stated the obvious, 'the shadow governors' efforts to regain control over the silver screen and American culture by wrestling it away from the Hollywood Jewish cartel. The media moguls folded precipitously beneath this political pressure. Then they helped facilitate what we recognize today was a virtual witch-hunt, a total ruse, given the international bankers' creation of communism and subsequent funding of its leaders.

In summary, there is nothing new under the sun, or in The Free American Jewish hate diatribe by Clay Douglas and an anonymous co-author. I, for one, would like to know the source of the article. Suspiciously, it appears perfectly timed and suited for a contemporary political agenda that insidiously includes resurrecting Jewish hate. Let the primary author reveal himself and his political/financial affiliations. Does he maintain connections to the Liberty Lobby, publishers of The Spotlight? Is he affiliated with other groups that selectively relay half-truths to fully deceive well-meaning largely susceptible populations such as American patriots and Christians? Free American readers deserve to know the whole truth. Will Clay Douglas provide it, along with an apology? Time will tell.
